SCAN ME!

Y-Smart is a drug & alcohol service for all young people who are under 18 and live in Devon

Y-SMART can give you help advice and information about drugs alcohol and solvents as well as any related health problems.

If you have a problem with drugs, alcohol or solvents and you want help controlling your cravings, making sure your drug use is safe or you want help to stay off drugs. Y-Smart can help.

We can set up education, information, support, and treatment. It is our aim to provide you with a level of support **YOU** need to stay in control. Y-Smart offers a confidential service for young people. Once we have heard from you, one of our friendly staff will be in touch and will talk to you about **YOUR** issues and **YOUR** needs.

We can also help if you are affected by parents, siblings or carers misusing drug and/or alcohol. (Y-Project)
